

make one feel younger, relax nerves, relieve tired feeling, help faulty complexion, improve circulation, help relieve pains, reduce weight, relieve heavy colds, aid in breaking up certain types of internal congestion, aid liver and kidneys, help overcome effects of excessive drinking, relieve some types of headaches, induce sleep, aid women in keeping their figures, complexion, and health, help keep off excessive weight, make one feel better, help women during menstrual periods and while going through the change, aid in tapering down swollen legs and bulging hips, aid in treating arthritis and rheumatism, improve general health, rid the body of impurities through perspiration, relieve aching muscles and joints, restore vitality, and relax overwrought nerves of the nervous and physically exhausted. The device was not effective for the purposes stated and implied.

DISPOSITION: December 20, 1950. The Healthomatic Corp., Bala-Cynwyd, Pa., claimant, having consented to the entry of a decree, judgment of condemnation was entered and the court ordered that the devices be released under bond for relabeling under the supervision of the Federal Security Agency.

DRUGS FOR VETERINARY USE

3699. Misbranding of Alkatone. U. S. v. 15 Bottles, etc. (F. D. C. No. 32491. Sample Nos. 35411-L, 35412-L.)

LABEL FILED: February 4, 1952, Southern District of Iowa.

ALLEGED SHIPMENT: On or about November 6 and 13, 1951, by the Peerless Serum Co., Kansas City, Mo.

PRODUCT: 15 1-pound bottles and 22 5-pound cans of *Alkatone* at Des Moines, Iowa, and a price list entitled "Peerless June 15, 1950 Price List."

LABEL, IN PART: (Bottle and can) "Alkatone (With Nicotinic Acid) Poison * * * Contains: Sodium Hydroxide 10%, Nicotinic Acid, Copper Sulphate, Sodium Thiosulphate, Methylene Blue, Sodium Bicarbonate, Salt, Oil Anise."

NATURE OF CHARGE: Misbranding, Section 502 (a), the designation "Alkatone" on the label and the following statements appearing in the price list accompanying the article were false and misleading: "Alkatone (With Nicotinic Acid). Nicotinic acid has been found to be a beneficial factor in the treatment of the majority of outbreaks of necrotic enteritis, including the so-called 'Bloody Diarrhea' type, and aids in the control of these conditions." The designation and statements represented and suggested that the article was an alkalizing tonic and was effective in the treatment of necrotic enteritis and bloody diarrhea in animals, whereas it was not an alkalizing tonic and would not be effective for the purposes so represented.

DISPOSITION: April 1, 1952. Default decree of condemnation and destruction.

3700. Misbranding of Rex Hunters Dog Powders. U. S. v. 73 Cartons * * *. (F. D. C. No. 31313. Sample No. 24880-L.)

LABEL FILED: July 3, 1951, Middle District of Pennsylvania.

ALLEGED SHIPMENT: On or about August 30 and November 8, 1950, by J. Hilgers & Co., from Binghamton, N. Y.

PRODUCT: 73 cartons of *Rex Hunters Dog Powders* at Harrisburg, Pa.

LABEL, IN PART: "Rex Hunters Dog Powders Contains: Arsenic Trioxide 1/50 grain, Phenolphthalein, Iron and Ammonium Citrate, Potassium Iodide, Calcium Phosphate, Precipitated Sulphur * * * Contents: 40 Powders in tablet form."

NATURE OF CHARGE: Misbranding, Section 502 (a), certain statements on the carton label of the article and in the folder entitled "Directions Read Carefully Man's Best Friend—The DOG!" enclosed in the carton were false and misleading. The statements represented and suggested that the article was effective in the treatment of dogs affected with disease conditions characterized by excessive scratching, itching, loose coat, listlessness, bad breath, poor appetite, and simple skin irritations; that regular use of the article was effective in keeping dogs in top physical condition; that the article was a tonic, reconstructive, and regulator; and that its use with other of the products distributed by J. Hilgers & Co. was effective to help prevent the occurrence of running or barking fits in dogs. The article was not effective for such purposes, and it was not capable of fulfilling the promises of benefit made for it.

DISPOSITION: January 17, 1952. Default decree of condemnation and destruction.
